FOUNDER'S VIEW

We at Little Angels School believe the 5 C's - Communication, Collaboration, Creativity, Critical Thinking and Character will give a new dimension to our school and patrons. In this new age of technology driven education, we trust that these five cornerstones are going to be the major role players, which will give an edge to our students and make them future ready. Alongside, we ensure that each and every individual in our school is given an opportunity to evolve and hone their skills.

Learning is a lifelong journey—one that shapes individuals, drives progress, and prepares us for the ever-evolving challenges of the future. As educators, we hold the immense responsibility of igniting curiosity and instilling a passion for knowledge in young minds. The foundation of education is not just about imparting information; it is about equipping students with the skills and mindset needed to thrive in a world of constant transformation.

At Little Angels School, we believe that education should go beyond textbooks. We foster a dynamic learning environment where technology-enhanced instructions, hands-on experiences, collaborative projects and individual exploration empower students to discover their strengths. Our approach integrates talent-spotting into the core of education, ensuring that every child receives the necessary support to refine their abilities and excel. In addition to academics, we emphasize co-curricular, extracurricular, and sporting activities to create well-rounded individuals.

But education is more than just keeping up with technology; it is about nurturing critical thinkers. What kind of reasoning should take root in an inquisitive mind? How do we shape young learners so they can analyze, apply logical reasoning and share knowledge that is practical, relevant and meaningful? At Little Angels School, we focus on these fundamental questions, ensuring that our students are not just prepared for the future but are also capable of shaping it.

DOCTOR'S DAY

Healing is an art and every doctor is a gifted artist

National Doctor's Day was celebrated in the school on 1st July 2026 to acknowledge the contribution and dedication of doctors. The programme was organised by the Science Club. A special assembly was conducted successfully and students actively participated and conveyed gratitude and respect for the selfless service of doctors. On this occasion, students of our school have visited the Visakha Steel General Hospital (VSGH), Ukkunagaram and presented saplings to the doctors.

As a part of Doctor's Day celebrations, a former student Dr. R.Harshita Sai visited the school as the Guest of Honour. The Guest of Honour Dr. R.Harshita Sai conducted an interactive session by giving a power point presentation on 'Healthy Lifestyle for Teenagers'. She delivered a powerful keynote speech to the students of classes 8 to 10. The Headmistress, Mrs. Arundhati felicitated the alumna with a shawl.This honour recognized her achievements in the medical field. The Headmistress praised her dedication to public health.

VANAMAHOTSAV

Grow trees, grow life

A Badge for Nature. A Promise for Tomorrow.

Vanamahotsav celebrations were conducted in our school from 2nd July to 4th July. As a part of Vanamahotsav celebrations on day-1, (02-07-26), our school organised a Green Badges event. Students made the Green Badges very creatively and proudly wore them as a symbol of their commitment to a greener future.

Her Badge. Her Voice for Nature

Every Badge Carries a Message for Nature.

DAY- 2 OF VANAMAHOTSAV CELEBRATIONS

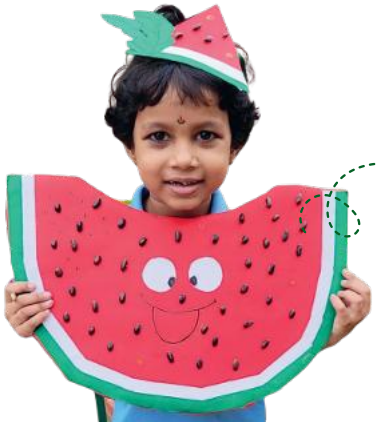
As a part of day-2 of Vanamahotsav celebrations (03.07.2026), students of classes 1-3 participated enthusiastically in a colourful Role Play activity, dressed as flowers, fruits and animals. The students from classes 4 and 5 spoke on the topic 'Importance of Medicinal Plants'.

"He who plants a tree plants a hope." — Lucy Larcom

I have rings, but I am not a finger. The more I have, the older I may be. What am I?

Our Little Forest of Joy..... Fruits, vegetables and flowers came together through the creativity of our children.

Little Faces, Nature's Colours..... Children brought the spirit of Vanamahotsav to life through their creative costumes.



"I am a watermelon... juicy, refreshing and full of water. I help keep the body hydrated and bring a refreshing taste of summer."

"I am a carrot. I am rich in beta-carotene, which helps support healthy eyes."

"I am Tecoma stans, a bright yellow flowering plant. My cheerful flowers attract bees and other pollinators, reminding us how plants support life and biodiversity."

"I am the Rabbit.... I have soft fur, long ears and a little fluffy tail. I love hopping around and eating fresh grass and vegetables."

"I am a tiger. Every individual has unique DNA. DNA fingerprinting helps scientists identify individual tigers, study their relationships and support wildlife conservation."

"I am a grape. I contain vitamins, water and antioxidants that support good health."

"I am brinjal. I provide fibre and important nutrients as part of a balanced diet."

"Together, we are sunflowers..... bright, beautiful and full of life. We turn towards the sunlight to grow, and remind everyone that plants need sunlight, water and care to flourish."

"We are mangoes... the delicious 'King of Fruits'! We are juicy, nutritious and rich in vitamins, bringing the sweetness and sunshine of summer to everyone."

DAY- 3 OF VANAMAHOTSAV CELEBRATIONS

As a part of day-3 Vanamahotsav celebrations on (04-7-2026), our school has organised a Green Plant sapling donation programme. Principal Mrs. Visalakshi and Headmistress Mrs. Arundhati spoke to the children about the importance of plants and thanked them.

DID YOU KNOW? Vanamahotsav began in 1950 as India's 'Festival of Forests.' It was started to inspire people to plant, protect and care for trees and celebrate the vital role forests play in our lives.
