A workshop was organized for the science teachers on 10th June in the MVP branch of the school. The resource person was Dr. Pampa Chaudhuri.

The workshop helped the teachers to enhance the skills of making specific, measurable, achievable, realistic and time bound learning objectives through variety of activities like simulation videos, exit cards and MCQ's.

:: 3 ::

A Workshop for Mathematics teachers was organized on 10th June in the MVP branch of the school. Mrs. Meena Suresh, Director, Srinivasa Ramanujan Society, Chennai was the Resource Person. It was a very good platform where challenges in making Mathematics interesting were addressed.

On 12th June a teacher training programme was conducted for the teachers of both the branches of the school. The Resource Person was Mrs. Monika Kacker who had a unique style and flavour of making learning more joyful and interesting to students through storytelling and recitation of poems.

Ms Monika Kacker discussed about the challenges faced by the teachers in the classroom and the importance of multiple intelligence, effective lesson plan, activity-based teaching and effective storytelling to develop

interest among the students. She threw light on how art integrated lessons can be taught. 128 teachers participated in the workshop. It was a very enlightening and learning experience for all the teachers.

::5::

Education is not the learning of the facts and training of the mind too. A fresh mind always does wonders when it is being surrounded by the positivity and zeal to excel.

It was lovely to see all the children arrive at school on 19th June after the summer vacations. Getting back to school is fun for all children. Excitement was writ large on the faces of the children as they were eager to meet their friends.

Teachers greeted the children and tried to create a comfortable atmosphere where students feel welcome.

::6::

International Yoga Day was celebrated in the School on 21st June. The Resource person, Miss Kavitha gave a Power Point Presentation on the purpose of Yoga to keep oneself healthy and develop positive thinking. She also demonstrated yogasanas for the benefit of the students. Students performed the asanas in meditation postures and relaxation postures. Many other simple yogic postures were also performed by the students. It was a step towards staying fit and healthy forever.
